***RECOMMENDATION***

It is recommended that Common Council direct Mayor and Common Clerk to execute the attached agreement.

***EXECUTIVE SUMMARY***

The former Coast Guard Administration Building sits empty and without power and is either slated for demolition or a complete renovation. The Canadian Police College (CPC) in partnership with the Royal Canadian Mounted Police (RCMP) and the Saint John Police Force (SJPF) would like to use the building for training until a final use is determined. The CPC/RCMP training will see participants from across the country train in Saint John on two separate occasions, once in December, 2018 and once in January, 2019.

The training will not be intrusive to the surrounding community and would only involve the interior of the building itself. The only activity visible to the public would be vehicles parked adjacent to the building.

This is an opportunity to support training initiatives for our National Police Force and further develop skills of local and national police officers.

***PREVIOUS RESOLUTION***
