Your Worship:

**Subject: Federal Gas Tax Fund (GTF) – 2019 Allocation
City of Saint John – Reference No. (6936.078.0000)**

I am pleased to inform you that under the Federal Gas Tax Fund (GTF), the regular 2019 allocation of \$4,656,597 is available for the City of Saint John.

The regular allocation is to be transferred in two equal payments as follows:

- a first payment before July 31, 2019; and
- a second payment before March 31, 2020.

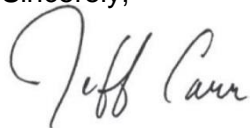

As previously communicated on April 29, 2019, the City of Saint John is also eligible to receive a one-time 2018 Top up of \$5,219,830 once we receive and approve a 2019-2023 Capital Investment Plan (CIP) including the 2018 Top up.

These allocations are to be invested in municipal infrastructure or capacity building projects from your 2019-2023 CIP.

The above-mentioned payments will be made once the Province is in receipt of the allocation from the Government of Canada, and if you are in compliance with the terms and conditions of our Agreement on the Gas Tax Fund with Local Governments.

Please feel free to contact Mr. Luc Thériault, Programs Coordinator, at (506) 453-4021 if you have any questions.

Sincerely,

Hon. Jeff Carr
Minister
