P. O. Box 1971
Saint John, NB E2L 4L1

Dear Mayor Darling:

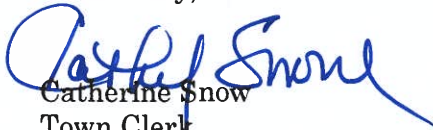

**RE: REQUEST TO PROVINCE FOR HEAVY INDUSTRIAL PROPERTY TAX
REVENUE TO BE TRANSFERRED FROM PROVINCE TO HOST
MUNICIPALITIES**

On behalf of the Quispamsis Town Council, I would like to thank you for your letter of August 1, 2019 addressed to the neighbouring Mayors and Councils concerning the above referenced subject.

Please be informed the Quispamsis Council, at its August 20, 2019 Regular Meeting, expressed its support of municipal tax reform, however, did not endorse the actual wording as proposed in your letter without receiving clarification as to the impacts on the Province and to NB Municipalities if all heavy industrial property tax revenues were transferred from the Province to NB host municipalities.

We look forward to receiving your clarification on the above for Council's further consideration.

Yours truly,

Catherine Snow
Town Clerk
