About your Request

Topic of Presentation:

Job growth and Low-Income housing

Purpose for Presentation (what is the ask of Council):

A vacant Variety store across my street is attracting drug dealing and the north end is experiencing a rise of home invasions. My plan would help reduce the crime in our area and create jobs and affordable accommodation.

Background Information:

I am a Social Media Marketing student with a certificate in Health Office Assistant.

I've been a resident of Saint John for three years now. I love the city and would like to help improve it.

My plans are very innovative and I would like to have a formal meeting to discuss the potential.

Are you making a request for funding?

Yes
