About your Submission

Topic of submission

Excessive noise from modified exhaust vehicles.

Purpose for submission (what is the ask of council):

I have for 3 years lived beside a neighbour who has modified his exhaust on diesel vehicles.

Each morning at 0515 hrs, he/she starts their vehicle (in summer and winter) which wakes myself, my wife, and dogs.

I would ask that the city create or enforce a vehicle noise bylaw to ensure that residents can live in reasonable noise levels.

Factory exhaust meets reasonable noise levels.
