

2024 Council Community Fund Application FORM A

The Information you provide on this form will be used to assess eligibility and consideration for the award of funds at a Common Council meeting.

Program Description

Through the Council Community Fund Policy (the Fund) Council Members may apply for funding for projects or events that enhance the vibrancy and wellbeing of the residents of the City or minor capital expenditures to improve infrastructure. The Fund supplements Council's existing Community Grants program, allowing a timely and flexible approach to requests for smaller initiatives that align with Council priorities that would not otherwise coincide with the timing of the Community Grants Program.

Successful projects will advance one of Council's five priority areas **Grow, Green, Belong, Move and Perform.**
