Your Worship and Members of Common Council,

RE: Sunnyside Tiny Home Community – Letter of Support

The Business Community Anti-Poverty Initiative (BCAPI) fully supports the Sunnyside housing project which will provide much needed safe and affordable homes for vulnerable members of our community, along with vital services and supports that people require to stabilize and rebuild their lives. This project has all the features of a 'best practice' that, according to researchers throughout the world, is a crucial means to end homelessness in communities.

It is projects like this which will propel transformative change in our community and help break the cycle of generational poverty which is the mission and objective of BCAPI.

We are grateful for the initiative and investment which the leaders of this Project are contributing to our community, along with their partners.

On behalf of BCAPI,

Cathy Lahey, BCAPI Co-Chair

Rob Belliveau, BCAPI Co-Chair
